<b>Width</b>	2.50"	6.40 cm
<b>Firing Mechanism</b>	Pistol Grip with Pull Ring Safety	
<b>Warranty</b>	5 Year Shelf Life	
<b>Canister Material</b>	Seamless Aluminum Rated 2Q	

**MK-20 Titan Ballistic Stream:** This unit is the perfect solution for civil disturbances, prisoner control, pre-entry, and other crowd control situations. The **MK-20** provides high volume output and combined with the ballistic stream delivery system adds outstanding accuracy into the mix. Ballistic stream is the best of both worlds. The **MK-20 Stream's** ability to engage multiple targets and/or pick out specific individuals gives it the tactical edge. Recommended carry is a thigh holster or tactical vest for quick deployment.

### Accessories

**Drop-Leg MK-20 Holster:** With the drop-leg holster, the MK-20 unit can be tightly secured and worn along the outer thigh for easy tactical transitions. **Stock No: WEB20-DL**

**Formulation:** Oleoresin Capsicum (OC) combined with a **Non-Flammable carrier**. Guardian Protective Devices™ sprays are safe for use with Electro Muscular Disruption (EMD) technology, such as Taser™. UV dye added for easy identification, putting the subject at the scene of incidence.

OC + CS blends are available, custom blends upon request to meet your department requirements.

**Safety:** The pistol grip uses a state of the art pull pin which secures the trigger, to prevent accidental discharge. The contour on the pistol grip allows for a steady comfortable grip allowing target acquisition.

**Labeling:** All canister labels are wearing water-resistant and contain the following data:

- Individualized Serial Numbers
- Active Ingredient
- Date of Manufacture
- Date of Expiration
- Lot / Batch Number
- Stock Number
- Decontamination Instructions

**Packaging:** Department of Transportation (DOT) approved commercial packaging.

 Made in the USA.  
D.O.D. approved facility.
